Dear Mr. Acle:

We write to inform you that the RNHA National Credentials and Membership Committee has reviewed your petition for charter, the documents you submitted and the supplemental information you provided. We regret to inform you that your petition for charter was not approved. Inasmuch as the Arizona charter application was not been approved, you may not use the RNHA symbol or name or hold yourself out as an RNHA of Arizona chairman.

We will shred your check to RNHA for the applicant chapter dues so that you can put a stop payment on the check.

Thank you for your interest in the Republican National Hispanic Assembly. If you have further questions, please contact the chair.

Sincerely,

RNHA Executive Committee:
